

COLUMBUS

COLUMBUS BLUE /60

COLUMBUS is a wood-effect porcelain tile collection and a well-assorted collection, it stands out for its coloured cement appearance, combined with a wood-grain pattern in a choice of 6 colours and 9,8x59,3cm format, thanks to which it can be used in settings of all kinds on both walls and floors. Its varied colours and different patterns can be combined to create multiple different layouts, lending added dynamism to surfaces.

La colección de madera porcelánica COLUMBUS presenta una estética que fusiona el cemento coloreado con vetas de madera en 6 colores diferentes en formato 9,8x59,3 cm, un tamaño que nos permite llegar con esta colección a todo tipo de espacios tanto en pavimento como en revestimiento. Su variada gama cromática, así como sus diferentes gráficas aportan al conjunto movimiento y posibilidades casi infinitas de colocación.
