

UPTOWN

UPTOWN PLAIN/30 · UPTOWN DECOR/30

UPTOWN takes a new look at the concept of brickwork. In this case, the tiles emulate small painted wood strips, worn by the passage of time. Wall surfaces of differing types can be lent a distinctive touch of character, even showers and wet areas, with this white-body tile collection, available in a wide variety of patterns.

Esta revisión del concepto "brick" representa pequeñas tablillas de madera pintadas y desgastadas por el tiempo. Su amplia variedad gráfica y su fabricación en pasta blanca permite dotar de carácter a cualquier pared incluidos los espacios húmedos y duchas.
