Orobico

Arabescato Orobico is a lovely marble with an untameable unique design. Its dark grey background is decorated in beige and caramel filaments, creating a stylish, highly singular colour combination. Orobico's strong sense of movement in all four directions brings a chic dynamism to living spaces of all kinds.

The collection comes in two versions, a dark and a light one, both inter-combinable. It is only available in a Polished finish in a 75.5x151cm or 60x120cm format. Orobico also features a Book Match version in a 75.5x151cm format as a decorative option.
